## HIGH SCHOOL WINS FROM DONORA; SCORE IN THE LAST PERIOD

Two Touchdowns and Goal Come in Final Quarter of the Game.

## LEIGHTY TURNS THE TIDE

Fleet Halfback, Out of Game With Bad Knee, Puts Life Into Team When Neither Side Had Scored and Victory Comes to Conneltsville.

By a great show of class when it was badly needed, Conneltsville scored twice on Donora in the last quarter of the game at Fayette Field, Saturday afternoon, winning out 14 to 6.

Up to that time the two teams had played each other to a standstill, the play being marked by frequent fumbling at critical stages by both sides. Then Leighty, who was not playing because of a bad knee, was run in. There was a chance almost immediately. Given the ball for the first time he ploughed through for a first down. Then there was a fumble and the ball shot back of line and in the scramble Bobby Buttermore fell on it out of bounds, on the 33-yard line. By steady gains of Leighty and Smuck the ball was brought to Monessen's 33 and line, when a disastrous fumble by Smuck allowed it to get into Donora's possession again. They kicked to Harry on the 15-yard line and he ran it back 19. On the next lineup, Mullan, assisted by good interference ran 25 yards. Smuck then ploughed over the pile of players for the first score and Leighty kicked the goal.

Conneltsville's second touchdown came quickly. Leighty took Donora's kickoff and ran it back 20 yards, clearing all but one Donora player. Mullan got 10 more on an end run. Smuck then made the prettiest forward pass of the season, hurling it into Buttermore's hands on the 10-yard line and he rolled forward five before he was tackled. Mullan was shoved over for the second touchdown. Leighty failed to kick goal.

Bobby Buttermore played a great game. He was in every play and his kick was the best of the game. He kicked for a score of touchdowns at 10:15, once he recovered a fumble and carried almost the whole Donora team back five yards before he was tackled.

Even the best end of the Donora team, who's capable of trouble to the Conneltsville end, did not get for a yard on the line, but Jimmy Hart, tackle, did not get the problem of getting into the line and his team was only stopped in the second half. Blundie, the fullback, had no collection of yards in the first period. Lineups:

## FOOTBALL NOTES

Greensburg put the cleaver on Johnstown in proper shape at Greensburg Saturday afternoon, 97 to 0. Though the Westmoreland county team tried hard to make the score 100, they fell short, though they did make the extra touchdown necessary only to have it nullified.

On the very first kickoff, Berta ploughed through the whole Johnstown team for a touchdown and after that there was no stopping the Greensburgers.

Principal B. B. Smith, who officiated as umpire, came home Saturday night physically weary from running up and down the field after the touchdowns. Conneltsville's defeat, 71 to 0, by Greensburg, was not so bad after all, in view of the Johnstown score.

Johnstown lost its final game of the season to California Normal, 21 to 0. The county seat team's season was

most disastrous. Only one game was won and that was from the North Union High School kids.

## Great Singers Must be "Tobacco Wise"

Tuxedo is the Tobacco Chosen by Opera Stars

MEN who depend upon their voices come to know tobacco as the ordinary smoker never knows it. A sensitive throat or mouth feels the slightest sting, bite or scorch of tobacco.

Tuxedo is the one tobacco which singers, actors, public speakers—all men who guard their throats zealously—can smoke with pleasure and safety.

Tuxedo tobacco cannot sting, bite or irritate the delicate membranes of the mouth or throat.

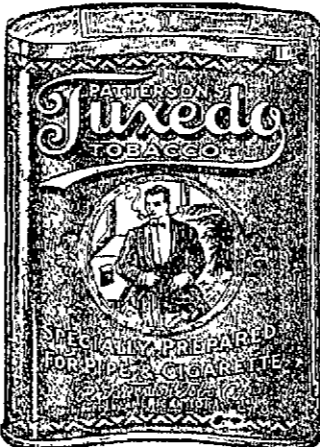

# Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo tobacco has made thousands of men converts to the pipe, because it has made pipe-smoking possible for them. Under the famous "Tuxedo Process" the mild, tender leaves of the highest grade Burley tobacco are so skillfully treated that Tuxedo burns slowly and affords a cool, mild, thoroughly enjoyable pipe smoke.

Leading men in all walks of life—well-known doctors, lawyers, ministers, lecturers, etc.—smoke Tuxedo and testify to its soothing influence on the throat.

## A SALE OF THANKSGIVING LINENS

Begins Tuesday, 17th, at Wright-Metzler's.

The two stores of Wright-Metzler Company are the biggest dealers in linens in this and several counties. Importations are made direct. At all times our stocks contain larger assortments than elsewhere in town, and our prices are a standard of linen value in the two cities. We buy our linens at price advantages and sell for as little as good linens can be marketed.

The orders for this season's Table damask, napkins and decorative pieces were placed last May. Shipment was made before interrupted ocean traffic.

This store was more fortunate than many others, in that we received everything ordered in time to offset a rise in price.

Today these textures are valued 10 to 20% higher than in May, and we can offer full and splendid assortments at special prices.

A SAVING  
IN PRICE  
ON EVERY  
YARD AND  
PIECE IN  
THE SALE

Ireland and Scotland are flax-growing countries, therefore linen-producing countries. But it is due to peculiar climatic conditions that Scotch and Irish damasks are whitest and most beautifully finished. Dew, sunshine and soft water are helpful to linen beauty. Generations of trained workers, improved looms and ability to create lovely patterns are decided advantages.

The present war will not kill the linen industry, but you can look for advancing prices until long after reconstruction is completed.

It may be that this sale will be our last at such prices. Many stores throughout the land have advanced the old prices. With us there will be no rise as long as we can buy as heretofore, which depends upon the quantity of made-up linens abroad, and how soon the old stocks are gathered in.

The thing to do is:

—Buy Ahead of Your Present Need While There's a Certainty of Real Savings. Buy Now And Have The Most To Choose From.
